

## Ms. Raphael's Homework Policy

At the beginning of each week, a homework packet will be given to the students. The cover page, of the packet, will contain various important pieces of information:

- The week for the homework packet
- Page numbers and/or problems
- The date the packet is due
- How answers should be written
- Work must support the answers to avoid the impression of cheating
- Other points of interest

If a homework packet is **not** given to the students at the beginning of a week, then it is because of one of the following:

- A test will be given, in which case, a STUDY GUIDE for the test was given at the beginning of the week, detailing what the student needs to study in order to be successful on the test. Therefore, the student should be STUDYING each night that he/she would have been working on the packet.
- Thanksgiving Week
- 4 – 6 weeks prior to the EXAMS/EOC for NCMI
